

3RD ANTITHROMBOTIC STEWARDSHIP SUMMIT

and International Networking Session

FRIDAY, JULY 10, 2026

MAMA SHELTER PARIS WEST

Presented by:

Official ISTH 2026
Pre-Congress Event

Antithrombotic Stewardship

Optimizing Care, Safety, and Outcomes Worldwide

Antithrombotic therapy remains one of the most widely prescribed—and highest-risk—treatments in medicine.

This 3-hour meeting will:

- Highlight the global burden of inappropriate use
- Share models of Antithrombotic Stewardship in action
- Explore implementation strategies that improve the quality and safety of care
- Provide participants with practical tools and a roadmap for advancing Antithrombotic Stewardship within their own institutions and regions
- Explore Stewardship applications for emerging agents

Who Should Attend?

Clinicians, researchers, and healthcare leaders engaged in the management of thrombosis and hemostasis.

REGISTER HERE

There is no cost to attend, however seating is limited and registration is required.

Venue: Mama Shelter Paris West, 20 Av. de la Porte de la Plaine

Presented by [Anticoagulation Forum](#) and [ISTH](#).
